

CHROME/NNSY

Dronetrepneur Summer Camp #1 For Junior Commercial Pilots Middle School Program

Announcing

1-Week STEM Program

Exploring Aspects of Drone Technology
for Middle School Scholars (Grades 6 - 8)

(Sponsored by CHROME and Norfolk Naval Shipyard)

at Norfolk State University

Norfolk, Virginia

July 15 – July 19, 2019
(9:00 am to 3:00 pm daily)

Explore Science, Technology, Engineering, and
Math (STEM) with **Ean Mikale, J.D.**,
Chief Innovation Officer, Infinite 8 Institute
Omaha, Nebraska

Students will:

- Gain experience using “Lean Business Model Development”
- Learn the safe operation of a drone or small-unmanned aerial vehicle (UAV)
- Learn basic drone regulations
- Learn introductory Videography/Aerial Photography
- Gain experiences pitching creative business ideas in the drone industry

To participate in this free summer STEM program, please download an application from the CHROME website (www.chrome.org) or request an application from a CHROME Sponsor

Email completed application to: Angela Jenkins at angela.jenkins@verizon.net

Application Deadline: June 7, 2019

We will accept the first 40 applicants that meet the qualifications for this program
